Ms. Sanchez captivated her students as she animatedly read from a beloved storybook, bringing the characters to life with her expressive voice and gestures. #Letsread #teacher

Great lesson. I would like to use your resources where can I find them.

MissLucia

You can find it in my teacher shop.

## Notes

### **Misslucia:**

Does anyone have any tips  
or tricks to support students  
in learning orders of  
operations in math?

### **MissMandy:**

In my class I teach  
multiplication first.

### **Mr Smith:**

That has worked in my  
class too!

As a school principal we make lots of decisions in a day. We just have to remember our purpose.

@misslucia

Today was a great teambuilding day!
